# About Us

Raised In A Barn is a furniture manufacturer in Colorado, USA. We're extremely proud of the way we do things. Each piece of our furniture is handmade in the U.S.A. from the highest quality reclaimed wood.

Our reclaimed wood is sourced in the most environmentally friendly manner and then hand-crafted into beautiful one-of-a-kind pieces of rustic furniture. We partner with a non-profit re-entry program, Tower 21, which assists individuals to ease their transition back into the community by teaching them new skills to rebuild their lives. So when you buy furniture from Raised in a Barn, you're not only buying beautiful, modern furniture...You're making a difference!
